CROWN COMICS
ANTHOLOGY SUBMISSION
GUIDELINES

WRITERS:

- We accept **finished comics** (preferred), **scripts**, and **itches**.
- We cannot guarantee to secure an artist for **scripts** *without* artists attached.
- Submit **format**. Your script in a **standard comic book script**

ARTISTS:

- We sometimes pair writers with artists for short comics. Send us your **portfolio**! If the right project appears, we'll be in touch.
- We cannot guarantee to secure a writer for **art-only** comic pitches.

COMPENSATION:

- **Crown Comics will pay contributors based on our Crowdfunding campaigns performance.**
 - All funding past our minimum viable funding goal (which covers only printing and shipping) is divided up amongst our creators.
 - That means the better the campaign does, the more we can pay!
- We work on a collaborative co-op model, where *everybody* wins when *anybody* wins.
- We require *all hands-on deck* to help promote and make this anthology successful!
- We offer our contributors the ability to purchase anthologies at wholesale price, then resell those anthologies themselves.
